Assembly Instructions

Thank you for
purchasing a
Birlea product.

For a chance to win a Love 2 Shop voucher simply post a picture of your new product on your preferred social channels tagging Birlea Furniture and using the hashtag **#ShareYourStyle** and **#Birlea**. One winner will be selected at random each month.

To view our full terms and conditions please visit www.birlea.com

Are you happy with your purchase?

Yes: That's great, we would love to hear more from you. Please leave us a review on our social media channels or Trustpilot. Your feedback will be greatly appreciated

No: If for any reason there is something missing, indifferent or incorrect with your order, please contact the retailer you purchased the item from. We will work with the retailer to resolve your issue as quickly as possible.

Berlin FABRIC Ottoman Bed - KING

Assembly Instructions

Before you begin...

1. Please check you have received the correct product.
2. Unpack all boxes and lay out each component on the floor.
3. Check your product for any damage that may be immediately obvious. If damage is identified, please contact your retailer.
4. Please read through these instructions thoroughly to ensure you have constructed your bed correctly.

For Care and Maintenance of your bed...

- Always assemble in your desired room of use.
- Always check all screws and fixings periodically to ensure they are still secure.
- Do not push or pull this bed as it will cause damage.
- Always lift this bed with a second person to prevent damage or injury.
- Keep any sharp objects away from this bed Frame.

For your Health and Safety...

- Please don't not jump on this Bed.
- Do not use this bed if you find missing, damaged or worn parts. Please contact your retailer.
- Please do not use this bed until you have fully secured all fixings.
- Please keep all small components away from children.
- Please ensure this bed is on an even, level surface.

Also...

If your desired room of choice has a non-carpeted surface please ensure that you use some form of anti-slip protection and do not place directly on the wooden floor. This will prevent the bed from moving and therefore collapsing which will void your guarantee..
