# Care and Maintenance

---

## Metal

This bedstead should be cleaned using a soft damp cloth and dried immediately. Do not use a very wet cloth or allow any liquid contact for a long period of time as this can permanently damage the surface.

Do not use abrasive cleaner or harsh detergents as this can damage the surface. Do not drag any object across the bed as this can cause permanent damage.

---

## Safety Instructions

---

Never drag furniture when moving it, always lift it.

Periodically check all fixings to ensure none have come loose and re-tighten where necessary.

Please take care when handling or moving the furniture as careless handling may cause damage or injury. Furniture can be dangerous if incorrectly installed. Assembly should be carried out by a competent adult. No liability will be accepted for damage or injury caused by incorrectly installed or assembled furniture. During assembly children should be kept away from the product due to possible risk of injury.

Do not use this item if any components are missing or damaged.

It is recommended that before moving heavy objects to a new location they are completely dis-assembled to avoid personal injury or damage to the furniture . Please be careful to retain all fittings when doing this.
